Daisy,

Please find attached:

1. Two reports we did on the Reg Reform and Energy Independence executive orders
2. Our list of accomplishments
3. Our reg reform talking points
4. Two rough drafts Max and I put together for an article about the EPA's agenda

Will, could you share with Daisy the two reports we did on the Reg Reform and Energy Independence executive orders, as well as our running “list of accomplishments,” what we have pending over at OMB, and then lastly the draft article you and Max put together?

Daisy, this will give you a working knowledge of what we’ve been up to for the past three months.
